

Topic Question

Would the American public and economy benefit more from a minimum wage increase or a Freedom Dividend as outlined by Andrew Yang in his 2020 presidential campaign bid?

Possible audiences

Law makers, possibly people who may be affected by a minimum wage increase. A letter to a law maker in congress could be a possible format to this essay.

Point from research to find

Statistics from minimum wage increases around the world or in US

Pitfalls and challenges with the topic

There is not an abundance of examples of Universal Basic Income around the world
